

## MAJORS, OPTIONS, AND DEGREES

This is a list of the majors, options, and degrees authorized for the University of Wisconsin-Madison. For each major, any applicable option and the degree or degrees to which the major can lead are shown. These major titles and options appear on the student's transcript and the degree titles appear on the student's transcript and on the diploma. The school/college in parentheses after the degree title indicates the school/college with primary academic responsibility for the degree program. A three-position numerical code is assigned to each major for statistical and data processing purposes.

This list of authorized University of Wisconsin-Madison majors, options, and degrees is issued by the Office of the Registrar under the direction of the Office of the Provost and the Vice Provost for Enrollment Management.
