WISCONSIN ATHLETICS
DOUBLE MAJORS
Two Majors within
Same Degree Program

Both Majors are Required for Graduation

Option 1:
Use Both Majors for Certification

Certification
Percentage of Degree (40%, 60%, 80%):
Must use credits towards both majors (increase the denominator)
Progress Toward Degree (6cr, 18cr, 24cr):
May use credits toward either/both majors

Two Majors in Two Separate Degree Programs

Only One Major is Required for Graduation

Option 2:
Use Only One Major for Certification

Certification
Percentage of Degree (40%, 60%, 80%):
May only use credits towards one major
Progress Toward Degree (6cr, 18cr, 24cr):
May only use credits toward one major

Option 1:
Use Both Majors for Certification

Option 2:
Use Only One Major for Certification

Certification
Percentage of Degree (40%, 60%, 80%):
Must use credits towards both majors (increase the denominator)
Progress Toward Degree (6cr, 18cr, 24cr):
May use credits toward either/both majors

Option 1:
Use Both Majors for Certification

Option 2:
Use Only One Major for Certification

Certification
Percentage of Degree (40%, 60%, 80%):
May only use credits towards one major
Progress Toward Degree (6cr, 18cr, 24cr):
May only use credits toward one major
CHANGING MAJORS
During First Two Years of Full-Time Enrollment

24 Credit Rule: Any credits earned prior to the start of the 2nd year may be used to fulfill the 24-credit requirement.

18 Credit Rule: Any credits earned during the applicable academic year may be used to fulfill the 18-credit requirement in the first 2 years of enrollment.

6 Credit Rule: Any credits earned during the applicable semester may be used to fulfill the 6-credit requirement in the first 2 years of enrollment.

Percentage of Degree Rule: The percentage of degree requirements do not need to be met during the first 2 years of enrollment.

After Start of Third Year of Full-Time Enrollment

24 Credit Rule: The 24-hour requirement does not need to be met after the first year of enrollment.

18 Credit Rule: Certified at the end of the applicable academic year (or applicable two terms).

Change in major/degree program...
- After conclusion of academic year: certified based on previously designated major/degree program.
- Between terms: certified based on (a) credits earned prior to change must apply to previously designated major/degree program; and (b) credits earned after change must apply to newly designated major/degree program.
- During a term: certified based on credits earned during the term of change applying to either the previously designated major/degree program or the newly designated major/degree program.

6 Credit Rule: Certified at the end of the applicable term.

Change in major/degree program...
- After conclusion of term: certified based on previously designated major/degree program.
- During a term: certified based on credits earned during the term of change applying to either the previously designated major/degree program or the newly designated major/degree program.

Note: the 6-hour requirement may be met with credits applicable to any degree if the institution certifies that the student is in his or her final two terms.

Percentage of Degree Rule: Certified prior to the beginning of the applicable academic year (or before the applicable term).

Change in major/degree program...
- Any time prior to the beginning of the applicable academic year (or prior to the applicable term): certified based on newly designated major/degree program.
- Any time after the beginning of the applicable academic year (or prior to the applicable term): certified based on the previously designated major/degree program.
