Dear Colleague:

This University of Wisconsin-Madison Enrollment Report for Summer 1984 concludes the first year of enrollment reporting under our new system and is the first summer edition published with the new system. Most of the tables remain the same as for previous summers for easy comparison.

The Enrollment Facts At A Glance section has been expanded to include Enrollment by Beginning Date of Session. Enrollment by Length of Session, Eight Week General Session Enrollment For The Last Ten Years, Comparison of Previous Year Totals By College, and Previous Year Credit Hour Comparison are also included.

Two current entrance tables are provided with breakdowns for Men/Women and Resident/Non-Resident.

Tallies of the Permanent Home Addresses of our students have always been a part of the enrollment report. This report, as well as the reports for the previous academic year, distinguishes between foreign and non-foreign students in these tallies. Foreign students are listed by their country of citizenship and this provides an accurate tally of the number of foreign students at Madison. Individuals with Permanent Resident or Refugee Status are tallied along with all other United States Citizens in the Permanent Home Address and Resident Fee Status For Non-Foreign Students table.

We appreciate your interest in this enrollment report and welcome your comments.

Sincerely,

  
Thomas H. Hoover  
Registrar
