ECON (296 ) Departmental Offices: 7238 Social Science for Undergraduates; 7329 Social Science for PhD; 7317 Social Science for Masters Department home page (www.econ.wisc.edu) contains

information about the wait list policy. Placement on the wait list does not guarantee enrollment in the class. It is always recommended that you enroll for a full class schedule in case your initial selections are not available. When students enroll but do not meet the prerequisites for a class, they will be asked to drop the class. All undergraduate Business courses are restricted to students already admitted to the Wisconsin School of Business until December 1st unless otherwise noted. All courses designated as honors in the Economics Department are restricted to enrollment only by honors students. Non-honors students interested in taking these courses will need to meet with an Economics advisor to discuss.
