

This is a list of the majors, options, and degrees authorized for the University of Wisconsin-Madison as implemented in the student information system. For each major, any applicable option and the degree or degrees to which the major can lead are shown. These major titles and options appear on the student's transcript and the degree titles appear on the student's transcript and on the diploma. The school/college indicates the school/college with primary academic responsibility for the degree program. A plan group code and academic plan attributes are assigned to each major for statistical and business process purposes.
